## ANN NUNEZ

CREATIVE DIRECTOR • INREACT •

2/6/18

Dear IDEO,

I've read over the position and the one thing that intrigued me is the part about being an asset to the community. During my entire life, I've had the itch to help and if this is an opportunity to use my skills to fulfill that goal, then I'm 100 percent ready to embark on this journey.

Sincerely,  
Ann
